Souvenir
of
Elk Creek
1894

This "SOUVENIR OF ELK CREEK 1893" photo album is an exhibit copy from the original that was owned by WILLIAM E. WARREN and his wife, EMMA H. (SAYRE) WARREN.

WILLIAM E. WARREN and his brother, MARK S. WARREN, were the original homesteaders and developers of what is now TOLOVANA PARK. Mark Warren's 80 acres were along the ocean-front; William Warren's 160 acres were east of Mark's land. The WARREN HOTEL was built on Mark's oceanfront property in 1910, opening in 1911. The first signer of the hotel guest register was Oregon Governor Oswald West, who is credited for preserving Oregon's beaches. The Warren Hotel was razed in 1971 to build the Tolovana Inn on the same site.

Original of this album loaned for this exhibit, Courtesy of GEORGE SHIELDS, grandson of HARRIET SAYRE SHIELDS (whose sister was EMMA SAYRE WARREN).
